3) Detail the benefits the target student group will receive from this program/idea.
4) Provide an implementation timeline.
5) Describe how this idea/program fits into, or enriches the current curriculum AND provides for the FUTURE of our children.

Once it is determined that all information has been provided, the committee will share the requests with the SMS Principal and/or Pastor, when appropriate. Approval by the Principal and/or Pastor DOES NOT guarantee funding. The PTO Executive Board has the final authority on funding "Dream for the Future" requests. The PTO will review these requests in their October and February meetings.
