Grandfriend's Day!! September 29th!

Grandfriends Day will be Friday, September 29th. Each student can invite grandparents, family members or a special friend. This is a time that students can show grandfriends around the school and participate in fun activities together. The book fair will also be opened to those wanting to attend.

Please note, we have 2 arrival times for grandfriends. It would also be helpful for grandfriends to know the grade of the students they are visiting.

Please [Click Here](#) for a detailed schedule.

Due to lice activity in several grades please remind your students of some easy things they can do to help reduce head to head transmission:
Do not share headphones or earbuds

Do not share hats, gloves, coats

Do not share hair accessories or combs and brushes
