Cold Effects on St. Monica

St. Augustine Hall sustained minimal water damage after the sprinkler system pipes burst in ceiling yesterday afternoon due to the weather. At this time, we are expecting cleanup and repairs to take 3 weeks. If you have scheduled an event in that space, please contact the parish office to make arrangements. Until the sprinkler system is working, we will have a firefighter in the building while occupied to ensure the safety of all students and staff. This has not affected the church or the gym in any way.

Open House Information- Help Needed

Our annual St. Monica Open House will be taking place on Sunday, January 28 from 11am until 3pm.

We need your help to make this a success. We are looking for an SMS family to speak for a couple minutes at the end of each mass the weekend of 1/20 and 1/21. Your family will be given a loose script but we want to let everyone know why SMS is a great place to send your kids.

We also need volunteers the day of the open house to offer tours to families visiting our school. [Please Sign up here](#)

Word of mouth is one of the best forms of marketing. Tell your friends and family to visit our school! If you have questions please contact Cara Acklin at 317-670-8106 or caraacklin@gmail.com.
