Dear Parent,

Please remember registration forms are due Friday, January 26th!

A note from Mr. Schommer regarding Drop Off

I am impressed with the amount of thoughtful behaviors taking place in the parking lot. I have noticed a more safe environment. As we start back into our daily routines please remember:

- 5 MPH
- Maintain a safe distance
- Children should walk in front of their own car

Thank you for taking care of our future and keeping our children safe.

Words of Wellness

Eating during winter doesn't have to be boring and vitamin deficient. Keep carbohydrate-laden foods such as white bread and pasta to a minimum and fill your plate with dark leafy greens, winter squash, citrus and pomegranate which thrive in the chill of winter.

These fruits and vegetables are laden with nutrients, antioxidants and fiber which increase your energy and help keep that winter-weight at bay.
