Dear Parents,

STEM Family Night is our January Faith-Filled Friday Event! Join us Friday, January 26 from 6:00-8:00 p.m. for an evening of science, technology, engineering, and math challenges designed to spark wonder and excitement in all our students.

We are also having a taco and nacho bar, and we need volunteers to provide food for the event. This is sure to be a great evening. Thank you for your support!

Notes from Mr. Schommer

SCHOOL DELAYS

We do not need to make up the January 12th Snow Day. that day was built into our calendar. Please be safe. If you believe the roads are too hazardous for you to drive, call 317-255-7153 and let us know. Even if we do not delay or close school, we know that some people may have a more difficult time driving than others. Indiana is notorious for unpredictable weather and many of our families come from different areas that may have different road conditions. Our goal is to ensure a safe arrival and departure each and every day. We will continue to make decisions about delays or closing prior to 6am to support all of our families. Thank you for your continued support of St. Monica.

Saturday, March 3rd-
Monica Madness
