In Search Of Gently Used Instruments

St. Monica School is proud to offer band to all students in grades 5 - 8. Band gives students a sense of pride and accomplishment. They learn to do their part to contribute to the overall success of the whole band.

Part of this success is due in part to students being able to play their instrument of choice. We received a few trumpets. Thank You!! In order to provide students with instruments to play, ***we are desperately in need of saxophones and flutes.***

If you have a saxophone or flute you would be willing to donate to the school band program, please contact Josh Wolff at j.wolff@smsindy.org. You will be given service hours as well as a charitable donation form.

Loves About Brebeuf

The openness that everyone seems to have, whether it is having a conversation with someone they normally wouldn't talk to, learning about a new topic, or listening to another person's viewpoint respectfully.

Future Plans

I don't know where I want to go to college yet, but my top choices are Boston College, Miami (OH), Purdue, Cincinnati, and Marquette. I intend to study something in the field of business. My goals after college are to start a business and to own a pet ocelot.
