February 1, 2018

Dear Principal,

**Right to Life of Indianapolis** will again offer **prize money totaling \$4,000** for winners and their schools in **six student contests and a scholarship this year**. There are **two essay contests for junior high students**: The questions are listed below.

- 1) One **essay contest** for seventh grade
- 2) One **essay contest** for eighth grade

Please alert your **Religion, English and Social Science** teachers of this opportunity for their students. Besides the monetary prizes of up to \$250 for each winner, the school or department of the first place winner wins a \$250 prize. We want the students to have notice of the questions for consideration. **A contest flyer has been included for your use**. Entries will be due by April 1, 2018. Entrants must reside in Marion County or one of the counties bordering Marion County.

**The Essay Contest questions for the junior high students for this year are:**

### 7<sup>th</sup> Grade Essay Question for 2018

The mission of Right to Life of Indianapolis is to promote respect for the worth and dignity of all human life including the unborn from the moment of conception, and the disabled and the elderly until natural death. How have your parents, grandparents, teachers, or other adults taught you to protect and defend all human life?

### 8<sup>th</sup> Grade Essay Question for 2018

How would you argue that human life begins at conception? What information and evidence would you need to gather? How have modern advances in technology helped to answer this question?

The **Essay Contest** information, including application, rules and judging criteria, is available on our website at [www.rtindy.org](http://www.rtindy.org).

Sincerely,

Dana Moore  
Essay Contest Chairperson  
Right to Life of Indianapolis
