

**St. Monica School Yearbook
Family and Friends**

The Yearbook will once again be selling space in the Family and Friends advertisement section of the book. Express friendship, love and congratulations to those special students or teachers in your life by recognizing them in the Family and Friends pages of their yearbook. The Family and Friends pages are also a great place to advertise your business. Select a half page, quarter page or eighth page format. All ads (and the entire Yearbook) will be in full color.

Whether you are purchasing an ad for your business or for a student, you can design your own ad exactly as you want it to appear, or the Yearbook staff can assist you in the design. It's as simple as submitting photos, text and a simple sketch. If you would prefer, create the ad on your own. You may submit a jpg file or hard copy. Hard copy ads will be scanned and returned prior to yearbook publishing.

If you have any questions or would like to see some sample ads, please contact Steve Exline at s.exline@smsindy.org.

If you are interested in purchasing an ad, please return the form below to Mr. Exline by Friday, February 17th. You do not need to submit the ad or money at this point. We will send you a packet to help you prepare your ad. Final ads will need to be submitted by March 2nd.
