

Mrs. Angela Fitzgerald – 7th & 8th Science

a.fitzgerald@smsindy.org

Professional Information

BS Middle Childhood Education
with concentrations in Science and
Math

Education Information

University of Dayton

Personal Information

Mrs. Fitzgerald has taught both Math and Science at the middle school level since 2003. Her favorite things about teaching Science are facilitating laboratory and hands-on investigations and fostering the connection between students' lives and Science. She loves teaching at a Catholic school because she likes being a part of a faith-based community made up of so many great students, teachers, and families. In her spare time, Mrs. Fitzgerald likes to spend time with her husband and family, travel, cook, and read.
