

Mrs. Karen Villarias – Science 5th & 6th Grade

k.villarias@smsindy.org

Professional Information

I have enjoyed teaching for 22 years, especially in grades 2 & 4, and now 5th & 6th. I went into teaching to inspire children to achieve their fullest potential, and it has been a very rewarding experience. As my career continues, I hope to inspire a new generation of students to achieve their dreams.

Education Information

Bachelor of Science - Elementary Education
Ball State University

Endorsements in Computer and Gifted and Talented Education

Personal Information

My hometown is South Bend, Indiana. I moved to Indianapolis in 1991 and met my husband, Gino, who is a commercial pilot, in 1997. We have two children, Abigail (6) and Marina (4). My family enjoys the outdoors, playing games together, and watching movies. Our favorite places to go in Indianapolis are the zoo and the Children's Museum. Personally, I like to scrap book, hike, and get my hands dirty in the garden.

Favorite quote

“Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.”

Albert Einstein
